Project "Cavriglia Tourism" Cavriglia Tourist Card

General conditions of the service

The general conditions described below rule the relationship between the City of Cavriglia and the users of this service.

1. Purpose of the service

Tourist card is a personal card that offers to the tourist staying in an accommodation in the town of Cavriglia, during the validity period of the card, to visit, once each, museums, churches and gardens that are part of the circuit and also to use, once, the discounts, benefits and incentives in each one of the places on the list of the circuit.

The purchase of the card is possible at the Tourist Office, Mine Museum and one of the points indicated for the sale of the Tourist card. The details relating to services, museums and facilities given with the card are available in the appropriate sections of the website of the City of Cavriglia www.comune.cavriglia.it.

2. How to Buy the card

To purchase the Card it is necessary:

- 1. to fill in the form provided in all parts required;*
- 2. to read and sign these general conditions of use of the card;*
- 3. to read and sign the Italian rules regarding the privacy;*
- 4. complete the process of card payment. Users can purchase only a single and personal tourist card*

The card is intended exclusively for people aged over 12 years old.

3. Payment of the Tourist Card

Payment must be in cash.

4. Price and validity of the Card

The cost of the card is 2 €. The card has a validity time corresponding to 30 days from the purchase of the card.

5. Lost and damage of the Tourist Card

The card is non-refundable in case of lost or damage. Therefore, the user is encouraged to take care of the card in a proper way.

6. Other warnings about the entrance in the Museums

If participating museums shut for exceptional reasons (strikes, holidays, etc.) or offer free admission because of extraordinary events, there will not be extension to the validity and duration of the card.

7. Limitations of Responsibility

The City of Cavriglia, in providing the service to purchase the Tourist card operates only as a Institution that has taken agreements with museums, gardens and companies that provide services. For this reason the City of Cavriglia assumes no responsibility regarding the method of delivery of those services. For any claim concerning directly the services, visits to museums or services indicated by the card, the Town of Cavriglia invites the user to report any malfunction and / or inconvenience directly to service managers and members and to communicate it just as a notice of information to the municipality of Cavriglia, so that the City can possibly consider the disfunction for the future organization and running of the card . The City of Cavriglia assumes no responsibility for the possible direct and indirect damages, of any nature, related to the services provided through the card and it also reserves the right to change, suspend or discontinue any service or function for technical or organizational reasons or following changes done by the City of Cavriglia , without repayment the card that has already been bought by the tourist.
